Southern Illinois Healthcare

1385 E Main St

Carbondale, IL 62901

618.351-6222

[dave.holland@sih.net](mailto:dave.holland@sih.net)

Dave Holland has over 30 years of management experience in Information Technology. After joining Southern Illinois Healthcare in January 2009, Dave led the creation of the Health Information Exchange of Southern Illinois, serving as the founding chair. Before moving to southern Illinois, Dave worked as an IT Management Consultant, leading several large Electronic Medical Records implementations, including a 14 hospital system in the United Kingdom. He has also served as VP/CIO of Genesys Health System (6 years) and St. Mary's of Michigan (2 years). Dave spent 15 years working in the Banking and IT Management Consulting industries. As Executive Director, IT for Mott Community College, Dave led the efforts to create the Technology Centers of Flint to address community issues of "The Digital Divide".
